### OVERLOCK FOR MATTRESSES

## Description

2-needle 5-thread overlock for thick material such as mattresses and upholstery, top feed, direct drive 750W motor, submerged table. Needle gauge 20mm, overedge with 8mm.

### Top Feed

To be able to feed thick materials, the machine is equipped with a double feed with a feed dog also inserted in the foot. Presser foot lift up to 20mm and needle bar with increased stroke.

### Large Drain

The waste is blown into a large drain which makes it easier to dispose of the clippings.
